Summary

Ratings shown below may differ from the ratings shown to users on Google Play.

- Google may reject your app or app update for misrepresentation of your app’s content
- Google may use your questionnaire responses to generate ratings for specific territories as required by local law
- Rating authorities participating in IARC may change your app's rating after they review it

Google and IARC will share your contact information, questionnaire responses, ratings, developer support requests, and app details with rating authorities. [Learn more](#)
